	 A screenshot of a software application window titled "MyProjectSetup". The window contains several tabs: "Variables", "Applic", "Data", "Resource Management", and "Build Configuration". The "Variables" tab is selected. A modal dialog box is open over the main window, prompting the user to "Assign WCF Log" and "Assign WCF URL and Namespace". The dialog has two input fields and a "Next Step" button. The background of the main window shows some code or configuration settings.
